## Reign Psalm 72:1-14

*Jesus' reign over the Messianic kingdom will be marked by \_\_\_\_\_ for the afflicted, \_\_\_\_\_ for the most vulnerable, and crushing any oppressors.*

**Discussion 1. Why is true justice so impossible to obtain (or even define) without God? Why are all the secular world's sources of "justice" inadequate?**

*Jesus' reign over the Messianic kingdom will include a scope never before seen or experienced: \_\_\_\_\_, complete and lasting \_\_\_\_\_, covering the entire world.*

**Discussion 2. How does the hope of a future righteous and just reign of Christ help you navigate the brokenness of the world in which we live today?**

*Christ's future reign over the Messianic kingdom will leave no doubt as to His \_\_\_\_\_ over every other ruler or authority in the world. Every knee will bow, and every tongue will confess that Jesus Christ is Lord.*

**Discussion 3. Think about the rulers around the world. What kinds of things can you imagine will have to happen in order for ALL of them to bow their knee to Jesus as the Messiah? Do those kinds of things scare you?**

*Christ's ministry of deliverance and redemption will be a central component to his ultimate Messianic kingdom. Jesus often reminds us that His kingdom is \_\_\_\_\_ from the kingdoms of this world.*

**Discussion 4. Do you believe following Jesus should change your sense of justice or peace over time? If so, how?**
